[Our Current Wanted Problems](#)

[What Could Be A Great Idea?](#)

- **People have various problems in life, primarily in four fields: health, wealth, wisdom and fun.**
 - **What should I eat for a healthy life?**
 - **How can I reduce stress?**
 - **How can I make money with investments?**
 - **How do I learn a new language?**
 - **How do I decorate my home?**
 - **What should I do for a good parenting?**
 - **How can I find fun stuff to do for the weekend?**

- **However, they may not have enough knowledge and information to get to the solutions. Currently most potential solutions are asked for a fee, and may not provide actual solutions that are desired. The information on the Internet are scattered and not verified, which usually cannot provide useful solutions.**

- **On the other hand, people have lots of great ideas:**
 - **I have many good healthy recipes created by myself!**
 - **I'm a good family doctor with lots of experiences!**
 - **I'm a CPA and CFP, and have great ideas how to make financial planning and investments!**
 - **I have good tricks to read fast!**
 - **I'm a home staging expert!**
 - **I've found something special that have lots of fun!**

- **However, there is no bridge to solve people's problems with other people's great ideas.**
- **Information are scattered, unorganized, and many times misleading on the Internet.**
- **People are hopeless sometimes, while people have nowhere to show their great ideas most of the time.**
- **All the problems are about to be resolved!**

- **The Blue Eden project will provide a knowledge and information platform and online community to all people in the world for a better life and better world.**
- **All the knowledge, information and services about important components in life, including health, wealth, wisdom and fun, are provided for free.**
- **It will create a bridge to solve people's problems with other people's great ideas.**
- **It will self evolve and include more free contents that can benefit the world as a whole.**

- **Phase 1: Primarily provide a website with forums to provide useful knowledge and information, as well as best solutions and great ideas in the four sections: health, wealth, wisdom and fun. Members can view the website, ask questions, provide best solutions and great ideas, and exchange ideas through forums. Free E-books can be distributed for educational purpose.**
- **Phase 2: Can also provide various community services for free, such as health advisory, financial advisory, learning and brainstorming discussion clubs/groups, various fun activity clubs/groups.**

- **In phase 1 of the project, we will build a focused online community with all the people who want to improve their life and make the world a better place. We will answer the following questions, which will be very useful for the project team to understand and determine the future direction of the project.**
 - **What's your ideal world?**
 - **How to make the world a better place?**
 - **What's your ideal life?**

- **Based on the answers and discussions for the questions from phase 1, we will start to build platforms, products, services or other necessary solutions to help people improve their life and make the world a better place.**
 - **We only do industries and projects that can help people improve life and create value to the world.**
 - **There will be many great ideas, innovations, disruptors, integrations and changes to the world**

- **In phase 2 of the project, we will achieve the following tasks in a strategic way:**
 - **Integrate and optimize many industries to Blue Eden platform and create more value for the world.**
 - **Create lots of stable job opportunities with high potential of income.**
 - **Provide various free community services.**
 - **Provide fixed price products and services.**
 - **Build Blue Eden Island, which will be a model for future community.**

HOW THIS PROJECT CAN BE SUCCESSFUL

• *Join as members*

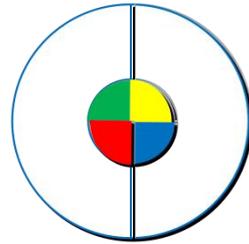

- We can discuss what our ideal life and ideal world looks like and how we can make the world a better place.
- You can ask helps for your problems in life related to health, wealth, wisdom and fun.
- You can share your best solutions and great ideas for a reward.
- You can discuss with other members with any related topics.

• *Share ideas*

- All people that have great ideas need to share with others.
- Sharing something good with people can make you very happy, especially when this can help other people solve problems in life.
- It doesn't need to be complex or extraordinary. An idea, that lots of people love it, need it, and would like to share it, is a great idea.

• *Referrals*

- Tell all your family and friends about the Blue Eden Project. The more people know about the project, the more people can benefit from the project.
- There are about 8 billion people in the world. If only one person in a thousand have a great idea, that would be 8 million great ideas. An integration of those great ideas will definitely change the world and make the world a better place.
